2. Flow chart or details of process of collection		
3. Flow chart or details of processing if any		

4. Official permission from forest officials

5. Declaration from third party

DECLARATION:

I declare that,

I assume the responsibility in understanding the contents of this application form provided in English and henceforth approve the certification body in adopting the above language in all of its correspondence and the inspection and certification related documents.

I do hereby affirm that all information supplied is true and accurate. I affirm my commitment and responsibility to know the respective Organic Standards as indicated in section 1 and to comply with that standards.

If the organic production rules are violated, I agree to be sanctioned according to the APSOPCA Scale of Sanctions.

I agrees to comply with the requirements for certification and to supply any information needed for evaluation of products to be certified,

If major changes in the wild collection activities occur, I will inform APSOPCA immediately. I agree not to release any products resulting from these changes until the certification body has notified me accordingly.

I agree to keep a record of complaints about my organic activities, take appropriate action with respect to such complaints and document the action taken.
